

## Glass Cleaner

Product Code: GLC500ML

### PRODUCT DESCRIPTION

**Electrolube's Glass Cleaner** is an extremely efficient, low foaming cleaner which is classified as non-flammable and non-hazardous. It is available in a 500ml trigger spray bottle for hand applications.

### PRODUCT USE

**Electrolube's Glass Cleaner** can be used on all types of glass and its silicone free formula allows its use on equipment used for PCB production. Removes grease, oil, traffic film, nicotine stains and light organic contaminants. To use spray the liquid liberally and wipe clean with a lint free cloth such as Electrolube's **Engineers Cleaning Wipes (ECW025)**. For heavy deposits a second application may be necessary. **GLC** is suitable for all industrial and domestic purposes.

### FEATURES
