

Silicone Oil Aerosol

Product Code: OSL400

PRODUCT DESCRIPTION

Electrolube's **Silicone Oil Aerosol** is a high quality multi-purpose mechanical lubricant. The **Silicone Oil Aerosol** is 100% Ozone Friendly.

PRODUCT USE

For all general and light duty mechanical lubrication purposes. One brief spray of **OSL** gives long term lubrication on line printers, keyboards, platens, bearings etc. **Silicone Oil Aerosol** may also be used as a release agent in moulding and casting operations. May be used both at work and home. Do not use near electrical contacts or motor brushes. Product contains **flammable solvent** therefore do not spray onto live electrical equipment or other sources of ignition.

FEATURES

- * High quality silicone spray.
- * Excellent water repellency.
- * Excellent electrical insulating compound and sealant.
- * Excellent lubricant with good adhesion.
- * Available in aerosol form for quick, clean and efficient application.

TYPICAL PROPERTIES

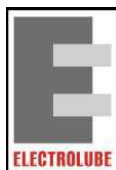

Colour:	Colourless
